

# 406 - LEATHER SOAP

LEATHER SOAP rich solution of selected natural soaps for treatment and care of leather furniture, handbags, briefcases and other articles of leather or hide. The soap has an excellent cleaning power, it protects the surface from drying out and will at the same time soften the leather.

## Instructions

Wipe the leather with a damp cloth. Apply the leather soap into another damp cloth and wipe the leather surface lightly without rubbing. Treat the whole surface at once to prevent blotches. Let dry, and polish with a soft, clean cloth.

**Caution:** Not suited for suede. The solution may darken very light leathers. Try the soap first in a non-conspicuous place. Shake well before use.

## Declaration

**Contains:** <5% natural soaps, water and bis (8-hydroxyquinolium) sulphate and Benzisothiazol-3(2h)-one.

**WARNING:** Keep out of reach of children.

## Conditioning

250ml (12 units/box) / 500ml (12 units/box)
