

# 210 - BIANCO OIL

BIANCO OIL is specially designed for the care of oak and wild oak furniture with the surface designation "Bianco". The oil penetrates the wood surface, heals it up, impregnates the wood against dirt and liquids and prevents the wood surface from drying out. The Bianco Oil can also be applied to untreated wood to give the tree a white pigmented tint.

## Instructions

Shake the bottle thoroughly before use. Apply the oil in a smooth layer with a cloth or brush. Excess oil is removed with a sponge or cloth. A dried-out wood surface should be treated several times as needed. However, the oil must harden for 9-12 hours between each application.

## Declaration

**DANGER:** Contains: Aliphatic hydrocarbons: may be fatal if swallowed and enters airways. Flammable liquid and vapor. Contains 2-butanone oxime and fatty acids, branched(C6-C19), cobalt (2+) salts: may produce an allergic reaction.

**WARNING:** Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Store in a well-ventilated place. Keep cool. Used rags may self-ignite and should be soaked in water and packed air-tight before discarding. Keep out of reach of children.

**IF SWALLOWED:** Immediately call a POISON CENTER or doctor. Do NOT induce vomiting. If medical advice is needed, have product container or label at hand.

## Conditioning

250ml (12 units/box) / 500ml (12 units/box)
