

420 - MATTRESS CLEANER

MATTRESS CLEANER cleans biological spots and shields from the mattress leaving it fresh and clean. Mattress Cleaner also degrades the basis for house dust mites, which are considered to be allergic promoters.

Instructions

Vacuum the mattress thoroughly and spray mattress clean on the mattress so that it's moist, especially on stains and shields. Allow to dry and vacuum again. Repeat stubborn spots.

Declaration

Contains: <5% nonionic surfactants. Also contains: water, bacterial spores, perfume.

WARNING: Keep out of reach of children. Avoid breathing mist/spray.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Conditioning

500ml (12 units/box)
